## OFFICE CARE STATIONERS CO W.L.L

---

Office Care was established with an aim to become the best source for its clients in the region for their office and school supplies by providing them with an exceptional combination of quality products at a good price and minimum lead time.

We aim to become a contributor to our customers' organizational achievements by providing maximum value for the products and services they require of us. We believe every customer's nature of requirements and expectations of us is different and are dedicated to serving each customer accordingly.

## OVERVIEW OF OUR COMPANY

---

Office Care was established as a simple small business in 2006 under the name Great Right Stationery in Kingdom of Bahrain. Two years later, it was reformed as a limited liability company with the new name *Office Care*. In 2015, Office Care relocated its office and warehouse to Logistic Village (LVM) Hidd, for better warehousing facility, so as to serve its clients better.

Within a short period of time Office Care has emerged as one of the leading office stationery suppliers in Bahrain and has managed to serve some fantastic clients. We focus on becoming the single source for our customers for all of their office requirements and the best option available in the region in terms of the quality of service offered. We are committed to constantly striving toward bettering the ways in which we serve our customers.

In the year 2012, Office Care entered into exclusive distribution agent agreement with [PSI Stationery Co L.L.C](#), who offers complete range of office and school stationery.

In 2017, Office Care became the authorized distributor of [Avery-UK](#) products. Avery was established in the year 1935 in UK and their invention of self-adhesive labels revolutionized several major markets and industries around the world. Their products include labels for a wide variety of uses ranging from office, home and industrial purposes.
